Reporter:	Nadiia Prosiatnikova	**Assignee:**		**Status:**	New
Type:	Functional	**Severity:**	Minor	**Priority:**	High
Environment:	Google Chrome 129.0.6668.60				
Summary:	The "Explain your reason" field is incorrectly validated in the "Reason for Consultation" step after filling the field with a space.				
Description:					

Pre-conditions:

	1	The Action Urgent Care page is opened.
	2	Clinic "San Jose - Blossom Hill Rd" is selected in the "In-Clinic Care" drop-down menu.
	3	A specific timeslot is selected.

Steps to reproduce:

	1	Select the Other option in the Reason for Consultation list.
	2	Enter a space in the "Explain your reason" text input field.
	3	Click the Continue button.
	4	
	5	

Actual result:

The user is redirected to the Confirm Appointment page. A validation error message is NOT displayed below the text input field.

Expected result:

The user was NOT redirected to the Confirm Appointment page. A validation error message is displayed below the text input field.
